# MUNICIPAL DISTRICT OF WILLOW CREEK NO. 26

And Independent Auditor's Report thereon Year ended December 31, 2022

KPMG LLP 3410 Fairway Plaza Road South Lethbridge AB T1K 7T5 Canada Tel 403-380-5700 Fax 403-380-5760

# INDEPENDENT AUDITOR'S REPORT

To the Reeve and Members of Council of the Municipal District of Willow Creek No. 26

## **Opinion**

We have audited the consolidated financial statements of the Municipal District of Willow Creek No. 26 (the Municipality), which comprise:

- the consolidated statement of financial position as at December 31, 2022
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Municipality as at December 31, 2022, and its consolidated results of operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

## Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

## We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
  - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation
- Communicate with those charged with governance regarding, among other
  matters, the planned scope and timing of the audit and significant audit findings,
  including any significant deficiencies in internal control that we identify during
  our audit.

See accompanying notes to consolidated financial statements.

Notes to Consolidated Financial Statements

Year ended December 31, 2022

## 1. Significant accounting policies:

The consolidated financial statements of the Municipal District of Willow Creek No. 26 (the "Municipal District") are the representations of management prepared in accordance with Canadian Public Sector Accounting Standards. Significant aspects of the accounting policies adopted by the Municipal District are as follows:

## (a) Reporting entity:

The consolidated financial statements reflect the assets, liabilities, revenue and expenses, changes in accumulated surplus and change in financial position of the reporting entity. This entity is comprised of the municipal operations plus all of the organizations that are owned or controlled by the municipality and are, therefore, accountable to the Council for the administration of their financial affairs and resources. Included with the Municipal District are the following: Clear Lake Park Campground, Pine Coulee Campground, Willow Creek Campground, Hamlet of Granum.

The schedule of taxes levied also includes requisitions for education, health, social and other external organizations that are not part of the municipal reporting entity.

The statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

## (b) Basis of accounting:

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the purchase of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 1. Significant accounting policies (continued):

## (c) Cash and temporary investments:

Cash and temporary investments includes cash on hand and short-term deposits, which are highly liquid with original maturities of less than three months from the date of acquisition.

## (d) Investments:

Investments are recorded at amortized cost. Investment premiums and discounts are amortized over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

## (e) Government transfers:

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return.

Government transfers are recognized in the financial statements as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be determined.

## (f) Inventories for resale:

Land inventory held for resale is recorded as the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as tangible capital assets under their respective function.

## (g) Contaminated sites liability:

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of a contaminated site is recognized when a site is not in productive use and is management's estimate of the cost of post-remediation including operation, maintenance and monitoring.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 1. Significant accounting policies (continued):

## (h) Requisition over-levy and under-levy:

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or underlevies of the prior year.

## (i) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations.

## i. Tangible capital assets:

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

| Assets                               | Years   |
|--------------------------------------|---------|
| The part of a transfer of the second |         |
| Buildings                            | 25 - 50 |
| Land improvements                    | 15 - 25 |
| Engineered structures                | 15 - 75 |
| Machinery and equipment              | 5 - 40  |
| Vehicles                             | 7       |

Assets under construction are not amortized until the asset is available for productive use.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 1. Significant accounting policies (continued):

## (i) Non-financial assets (continued):

## ii. Contribution of tangible capital assets:

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

## iii. Inventories:

Inventories held for consumption are recorded at the lower of cost and replacement cost.

## iv. Asset impairment:

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Municipal District's ability to provide goods and services, or when the value of the future economic benefits associated with the tangible capital asset are less than their book value. The net write-downs are accounted for as an expense.

## (i) Use of estimates:

The preparation of financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Significant areas subject to such estimates and assumptions include the estimated useful life of tangible capital assets, taxes and grants in place of taxes, and land held for resale. Actual results could differ from those estimates.

## 2. Recent accounting pronouncements:

The following summarizes the upcoming changes to the Public Sector Accounting Standards by the Public Sector Accounting Standards Board (PSAB). In 2023, the Municipal District will continue to assess the impact and prepare for the adoption of these standards. While the timing of standard adoption can vary, certain standards must be adopted concurrently.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## Recent accounting pronouncements (continued):

## (a) PS 1201 - Financial Statement Presentation:

The implementation of this standard requires a new statement of re-measurement gains and losses separate from the statement of operations. This new statement will include the unrealized gains and losses arising from the re-measurement of financial instruments and items denominated in foreign currency. This standard is effective for fiscal years beginning on or after April 1, 2022.

## (b) PS 3450 - Financial Instruments:

This section establishes recognition, measurement, and disclosure requirements for derivative and non-derivative instruments. The standard requires fair value measurements of derivative instruments and equity instruments; all other financial instruments can be measured at either cost or fair value depending upon elections made by the government. Unrealized gains and losses will be presented on the new statement of re-measurement gains and losses arising from the adoption of PS 1201. There will also be a requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities. As the Municipal District does not invest in derivatives or equity instruments based on its investment policy, it is anticipated that the adoption of this standard will have a minimal impact on the Municipal District. This standard is effective for fiscal years beginning on or after April 1, 2022.

## (c) PS 2601 - Foreign Currency Translation:

This section establishes guidance on the recognition, measurement, presentation and disclosure of assets and liabilities denominated in foreign currencies. The section requires monetary assets and liabilities, denominated in a foreign currency and non-monetary items valued at fair value, denominated in a foreign currency to be adjusted to reflect the exchange rates in effect at the financial statement date. The resulting unrealized gains and losses are to be presented in the new statement of re-measurement gains and losses. This standard is effective for fiscal years beginning on or after April 1, 2022.

## (d) PS 3041 - Portfolio Investments:

This section removes the distinction between temporary and portfolio investments and provides additional guidance on recognition, measurement, presentation and disclosure of these types of investments. Upon adoption of this section and PS 3450, PS 3040 - Portfolio Investments will no longer be applicable. This standard is effective for fiscal years beginning on or after April 1, 2022.

The requirements in PS 1201, PS 3450, PS 2601 and PS 3041 are required to be implemented at the same time.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 2. Recent accounting pronouncements (continued):

(e) PS 3280 - Asset Retirement Obligations:

This section provides guidance on how to account for and report a liability for retirement of a tangible capital asset. This standard is effective for fiscal years beginning on or after April 1, 2022.

## (f) PS 3400 - Revenue:

This section provides guidance on how to account for and report on revenue, specifically addressing revenue arising from exchange transactions and unilateral transactions. This standard is effective for fiscal years beginning on or after April 1, 2023.

## (g) PS 3160 - Public Private Partnerships:

The Canadian Public Sector Accounting Board issued a new standard, PS 3160, Public Private Partnerships in April 2021. This section establishes standards for the recognition, measurement, presentation, and disclosure of infrastructure procured through certain types of public private partnership arrangements.

This section is effective for fiscal years beginning on or after April 1, 2023 and may be applied retroactively with or without prior period restatement. Early adoption is permitted.

## (h) PSG 8 - Purchased Intangibles:

The Canadian Public Sector Accounting Board issued a new guideline, PSG 8 - Purchased Intangibles. This new guideline explains the scope of the intangibles now allowed to be recognized in financial statements given the removal of the recognition prohibition relating to purchased intangibles in Section PS 1000. The key aspects of this guideline are:

- A definition of purchased tangibles.
- Examples of items that are not purchased intangibles.
- References to other guidance in the PSA Handbook on intangibles.
- Reference to the asset definition general recognition criteria and the GAAP hierarchy for accounting for purchased intangibles.

This guideline applies to fiscal years beginning on or after April 1, 2023. Early adoption is permitted.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 3. Cash and short-term investments:

|      | 2022          | 2021          |
|------|---------------|---------------|
| Cash | \$ 13,084,799 | \$ 10,913,795 |

Cash includes Municipal District of Willow Creek No. 26 amounts of \$12,303,583 (2021 - \$9,734,423) and Hamlet of Granum amounts of \$781,216 (2021 - \$1,179,372).

Temporary investments are short-term deposits with maturities of twelve months or less. The Municipal District did not have any temporary investments in 2022 or 2021.

Included in cash and temporary investments is a restricted amount of \$3,719,968 (2021 - \$2,592,427) received from senior levels of government and held exclusively for capital projects (Note 6).

## 4. Taxes and grants in place of taxes:

|  | 2022            | 2021          |
|--|-----------------|---------------|
| Taxes and grants in place of taxes:        |                 |               |
| Current taxes and grants in place of taxes | \$<br>1,855,364 | \$<br>128,926 |
| Arrears taxes and grants in place of taxes | 51,470          | <br>16,783    |
|  | 1,906,834       | 145,709       |
| Less: allowance for doubtful accounts      | (10,767)        | (20,570)      |
|  | \$<br>1,896,067 | \$<br>125,139 |

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 5. Trade and other receivables:

|   | 2022                    | 2021                      |
|---|-------------------------|---------------------------|
| Trade and other accounts receivable Goods and services tax receivable | \$<br>774,746<br>71,702 | \$<br>2,725,623<br>87,462 |
|   | 846,448                 | 2,813,085                 |
| Less: Allowance for doubtful accounts                                 | (118,363)               | (63,304)                  |
|   | \$<br>728,085           | \$<br>2,749,781           |

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 6. Deferred revenue:

|   |      | 2022        |    | 2021        |
|---|------|-------------|----|-------------|
| Deferred revenue, beginning of year             | \$   | 2,592,427   | \$ | 2,736,848   |
|   | Ψ    | 2,002,421   | Ψ  | 2,700,040   |
| Funds received in the year:                     |      |             |    |             |
| Operating                                       |      | 1,163,535   |    | 282,584     |
| Capital   |      | 4,220,986   |    | 4,712,507   |

|   | \$   | 3,719,968   | \$ | 2,592,427   |

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 7. Employee future benefits:

|  | 2022                            | 2021                            |
|--|---------------------------------|---------------------------------|
| Vacation pay Banked overtime Sick time accrual | \$<br>29,004<br>8,782<br>26,460 | \$<br>38,073<br>7,589<br>25,690 |
|  | \$<br>64,245                    | \$<br>71,352                    |

## 8. Debt:

|                          | 2022          | 2021          |
|--------------------------|---------------|---------------|
| Tax supported debentures | \$<br>458,831 | \$<br>586,636 |

The current portion of long-term debt amounts to \$129,253 (2021 - \$127,805). Principal and interest repayments are as follows:

|      | Principal     | Interest     | Total                  |
|------|---------------|--------------|------------------------|
|      |               |              | 42.100.000.000.000.000 |
| 2023 | \$<br>129,253 | \$<br>4,821  | \$<br>134,074          |
| 2024 | 130,718       | 3,356        | 134,074                |
| 2025 | 132,199       | 1,875        | 134,074                |
| 2026 | 66,661        | 377          | 67,038                 |
|      |               |              |                        |
|      | \$<br>458,831 | \$<br>10,429 | \$<br>469,260          |

Debenture debt is repayable to Alberta Municipal Financing Corporation and bears interest at the rate of 1.13% per annum, before Provincial subsidy, and matures in 2026. Debenture debt is issued on the credit and security of the Municipal District at large.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 9. Accumulated surplus:

Accumulated surplus consist of restricted and unrestricted amounts and equity in tangible capital assets as follows:

|                                    | to site | 2022       |     | 2021       |
|------------------------------------|---------|------------|-----|------------|
| Unrestricted surplus               | \$      | 227,964    | \$  | 255,448    |
| Restricted surplus:                |         |            |     |            |

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 9. Accumulated surplus(continued):

|   | 2022  | 2021  |
|---|---|---|
| Equity in tangible capital assets: Tangible capital assets (Schedule 6) Accumulated amortization (Schedule 6) Loans related to capital assets | \$269,396,289<br>(182,934,928)<br>(458,831) | \$265,281,907<br>(176,672,055)<br>(363,103) |
|   | \$ 86,002,530                               | \$ 88,246,749                               |

## 10. Debt limits:

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/2000 for the Municipal District be disclosed as follows:

|                                     | 2022                       | 2021                       |
|-------------------------------------|----------------------------|----------------------------|
| Total debt limit Total debt         | \$ 23,372,948<br>(458,831) | \$ 21,303,414<br>(586,636) |
| Amount of debt limit unused         | 22,914,117                 | 20,716,778                 |
| Debt servicing limit Debt servicing | 3,895,491<br>(134,074)     | 3,550,569<br>(134,074)     |
| Amount of debt servicing unused     | \$ 3,761,417               | \$ 3,416,495               |

The debt limit is calculated at 1.5 times revenue of the Municipal district (as defined in Alberta Regulation 255/2000) and the debt service is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities that could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the Municipal District. Rather, the financial statements must be interpreted as a whole.

Year ended December 31, 2022

## 11. Local Authorities Pension Plan:

The Municipal District participates in a multi-employer defined pension plan. The plan is accounted for as a defined contribution plan.

Employees of the Municipal District participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pension Plans Act. The LAPP serves about 281,764 people and about 435 employers. The LAPP is financed by employer and employee contributions and investment earnings of the LAPP Fund.

Contributions for current service are recorded as expenditures in the year in which they become due.

The Municipal District is required to make current service contributions to the LAPP of 8.45% (9.39% in 2021) of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 12.80% (13.84% in 2021) on pensionable earnings above this amount. Employees of the Municipal District are required to make current service contributions of 7.45% (8.39% in 2021) of pensionable salary up to the year's maximum pensionable salary and 11.80% (12.84% in 2021) on pensionable salary above this amount.

Total current service contributions by the Municipal District to the LAPP in 2022 were \$348,839 (2021 - \$363,110). Total current service contributions by the employees of the Municipal District to the LAPP in 2022 were \$312,999 (2021 – \$329,347).

At December 31, 2021, the LAPP disclosed an actuarial surplus of \$11.9 billion (2020 - surplus of \$5.0 billion); the 2022 LAPP actuarial balance was not available at the date of this report.

## 12. Segmented disclosure:

Segmented information has been identified based upon lines of service provided by the Municipal District. Municipal District services are provided by departments and their activities are reported by functional area in the body of the financial statements. The segmented information is presented in Schedule 2. Certain lines of service that have been separately disclosed in the segments information, along with the services they provide, are as follows:

## (a) General Government:

The mandate of general government includes all Council governance, administrative and taxation functional activities.

## (b) Protective and Bylaw Services:

The mandate of Protective and Bylaw Services is to provide for policing and bylaw services.

## (c) Disaster Services:

The mandate of Disaster Services includes municipal emergency planning, disaster response and emergency services dispatching.

## (d) Fire and Emergency Services:

The mandate of Fire and Emergency Services is to provide for the rescue and protection of people and property within the Municipality through effective and efficient management and coordination of emergency service systems and resources.

## (e) Transportation Services:

Transportation Services is responsible for the delivery of municipal public works services related to the planning, development and maintenance of roadway system, streets, walks and lighting, asset management and infrastructure design and construction.

## (f) Planning and Development:

Planning and Development is responsible for the administration of municipal planning documents pertaining to residential, commercial, industrial and agricultural development services within the municipality.

## (g) Recreation and Culture:

The Recreation and Culture department is responsible for providing regional recreation, summer games and community event funding.

## (h) Agricultural Service Board:

The mandate of the Agricultural Service Board is to undertake the requirements of the Agricultural Service Board Act, Weed Control Act, Soil Conservation Act and to provide guidance on agricultural matters to the municipal council and agricultural related services to the public.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 12. Segmented disclosure: (continued):

## (i) Environmental Services:

Environmental Services is responsible for water supply and distribution services within the municipality including water and waste services, solid waste disposal and recycling services.

## (j) Community Services:

Community Services provides funding for programs that support individuals, families, and communities through programs and services which are delivered through Family and Community Support Services, cemetery services and medical facilities.

Certain allocation methodologies are employed in the preparation of segmented financial information. Taxation and payments-in-lieu of taxes are allocated to the segments based on the segment's budgeted net expenditure. User charges and other revenue have been allocated to the segments based upon the segment that generated the revenue. Government transfers have been allocated to the segment based upon the purpose for which the transfer was made.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 13. Salary and benefits disclosure:

Disclosure of salaries and benefits for elected municipal officials, the chief administrative officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

|                              | Salaries (i)  | Benefits and<br>lowances (ii) | Total<br>2022 | Total<br>2021 |

|                              | 261,003       | 78,446                        | 339,449       | 327,214       |
|                              |               |                               |               |               |
| Chief Administrative Officer | \$<br>233,186 | \$<br>38,233                  | \$<br>271,419 | \$<br>274,075 |

i) Salary includes regular base pay. For Councilors, salary includes a monthly allowance to attend special events and per diem reimbursement for authorized meetings attended.

Benefits and allowances also include the employer's share of the costs of additional taxable benefits.

ii) For non-elected officials, employers share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental disability, dismemberment insurance, long and short-term plans as well as travel allowances, and professional memberships and tuition.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 14. Financial instruments:

The Municipal District as part of its operations carries a number of financial instruments, such as cash and cash equivalents, accounts receivable, investments, accounts payable and accrued liabilities and long-term debt. It is management's opinion that the Municipal District is not exposed to significant interest, or currency risks arising from these financial instruments except as otherwise disclosed.

Unless otherwise noted, the fair value of these financial instruments approximates their carrying values.

## i. Interest rate risk:

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Municipal District manages exposure through its normal operating and financing activities.

## ii. Credit concentration:

The Municipal District is subject to credit risk with respect to taxes and grants in place of taxes receivable and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Municipal District provides services may experience financial difficulty and be unable to fulfill their obligations. The large number of diversity of taxpayers and customers minimizes the credit risk.

## iii. Liquidity risk:

Liquidity risk is the risk that the Municipal District will not be able to meet its financial obligations as they become due. The Municipal District manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing activities to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions.

Notes to Consolidated Financial Statements (continued)

Year ended December 31, 2022

## 15. Contingent liabilities:

- i. The Municipal District is a member of the Alberta Municipal Insurance Exchange (MUNIX). Under the terms of the membership, the Municipal District could become liable for its proportionate share of any claim losses in excess of the funds held by exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.
- ii. The Municipal District is a member of the Willow Creek Waste Management Services Commission (the "Commission"). The Commission has not determined what the future liability is to close the landfill sites and consequently, the Municipal District could become liable for its proportionate share of any closure and post closure costs in excess of the funds held by the Commission. As of the reporting date, these costs are not determinable.
- iii. The Municipal District operates several gravel pits to supply raw materials used in the ongoing maintenance of roads. The Municipal District is responsible for the costs of reclaiming the gravel pits at the end of the production in accordance with provincial legislation. As of the reporting date, these costs are not determinable.
- iv. In the ordinary course of business, various claims and lawsuits are brought against the Municipal District. It is the opinion of management that settlement of these actions will not result in any material liabilities, and therefore no amounts have been accrued.

## 16. Budget:

The disclosed budget information was approved by the Reeve and Council of the Municipal District of Willow Creek on April 13, 2022.

## 17. Approval of financial statements:

Council and Management approved these financial statements.

## 18. Comparative information:

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.
